The UK's leading education specific provider of professional services and solutions to schools, academies and MATs.

HR Strategic Service

A proactive, cost-effective, director level service supporting leaders through major organisational change and workforce planning.

HR Administration

Fast, integrated online tools for tailored contract creation, variation letters, DBS and occupational health checking.

HR Advisory Service

On-demand, unlimited, flexible solutions for dealing with enquiries through to complex case work, underpinned by legal advice.

Staff Absence Management

Reduce the number of days lost to absence through easy to read online heat maps coupled with on-site HR advice and support.

Performance Management

Clear guidance on conducting performance appraisals, determining pay awards and managing appeals.

Independent Investigation

Covering disciplinary and grievance cases, we will save you senior leadership time and reduce the risk of internal conflict.

About Strictly Education

Established in 2002, we are the UK's leading education specific provider of professional services and solutions to the education sector, supporting over 100 MATs, 500 academies and 1,000 schools in over 100 local authorities.

Our mission is to provide you with the strategic guidance and operational support you need to run an efficient school and raise levels of pupil attainment.

We operate across four strategic areas:
